QUESTIONS & DISCUSSION

Q 01 If you could ask God one big question about life or your relationship with Him, what would it be? What do you hope the answer would be?

Q 02 Think about the piano analogy from the sermon. **Can you relate to feeling disconnected or out of alignment with your true purpose?**

Q 03 We learned that the word greek *chorizo* means to separate, or divide. **Have you ever felt that something in your life was separating you from God's love? What was it, and how did you deal with it?**

Q 04 Paul emphasizes that nothing can separate us from the love of God. **Have you ever experienced a moment where you felt totally embraced by God's love, despite your struggles?**

Close your time together by sharing prayer requests and closing in prayer for each other.
